

FREE COLORING PAGES FROM PETIE PICKETTE

The Adventures of Sidney St. George

Petie Pickette's quirky long-legged bullfrog that travels the countryside selling his wares, transports the reader back to simpler times. Her back woodsy humor punctuates each of Sidney's chapter adventures. She introduces today's children to the world of yesterday, while reminding readers who are still children at heart, of their own childhood. Sidney, the tinker, always noble of heart, manages to come out on top, no matter what situations befall him. The spice of Sidney's life can be discovered in each funny little verse song that the author generously sprinkles, letting the reader in on Sidney's secrets. This is a delightful story for children of all ages.

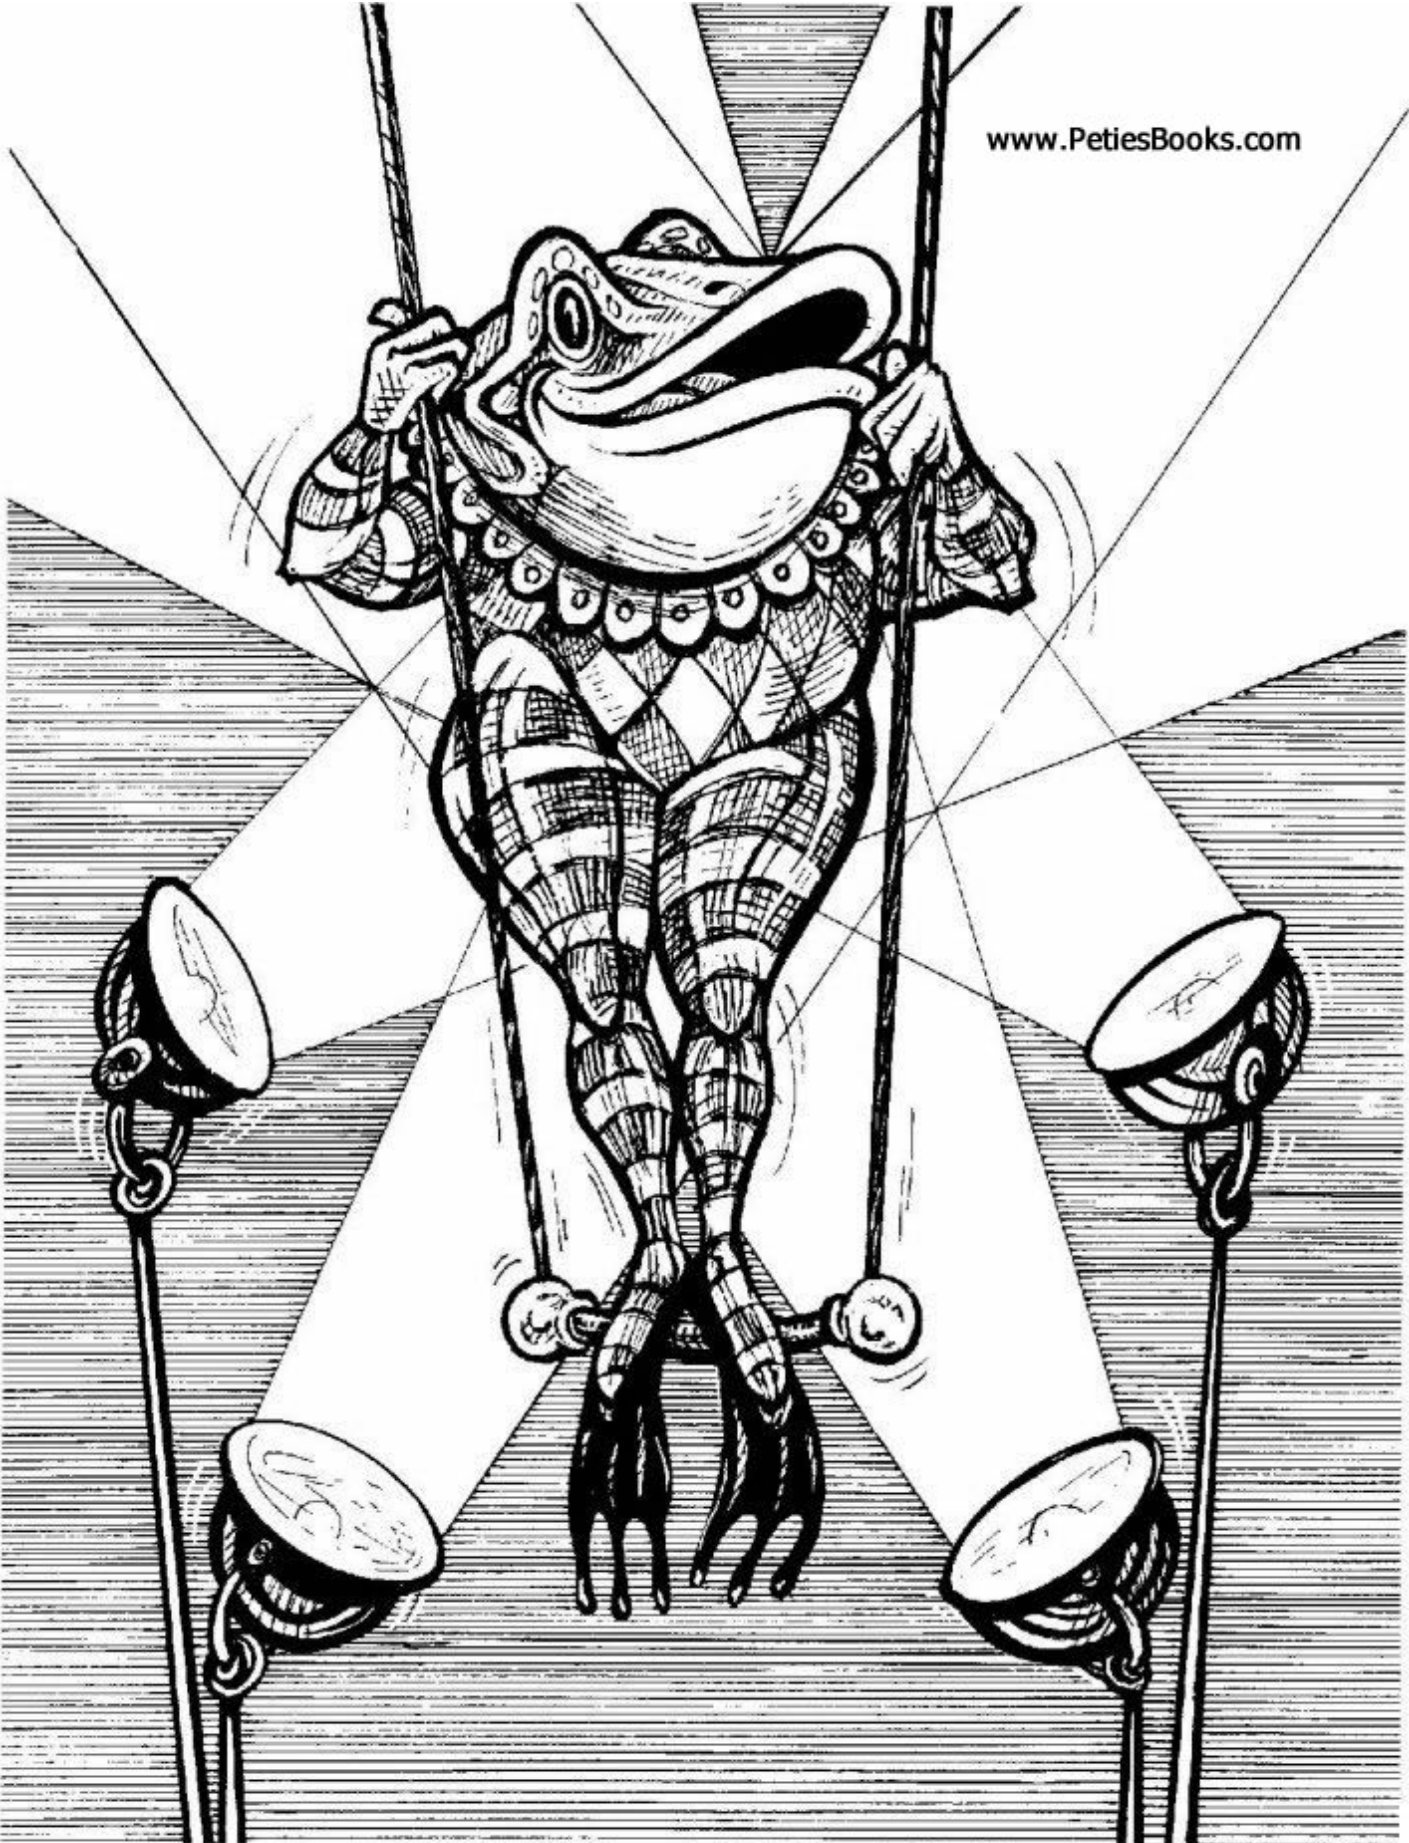

And the new book

Haymouse (to be released 2013)

Haymouse is a rhyming story of a country mouse that sleeps in a barn and has a number of interesting friends. Children board a school bus and go on a field trip to visit Haymouse. The children view the world of Haymouse, as he celebrates diversity in his everyday friendships. The children become aware of the value of their own relationships, as they see the value Sidney receives through his friends. At the end of the day, they leave Haymouse having found a new friend in him.
